SURGICAL TRAINING & ANATOMIC REFRESHER

MINIMAL INVASIVE COLORECTAL SURGERY

11th and 12th October 2024

Paracelsus Medical Private University | Strubergasse 15 | A-5020 Salzburg

Dear Colleagues,

the Academy of Surgeons collaborates with the Departments of Surgery at Cantonal Hospital in St. Gallen, Switzerland, and the University Hospital Salzburg, Austria. We are jointly organizing the third International STAR Course on Minimal Invasive Colorectal Surgery at the PMU Salzburg in October 2024.

This hands-on course provides an opportunity to work on cadavers under the guidance of renowned experts. Emphasizing practical experience and skill training in small groups, with a maximum of three participants per cadaver, you will have the chance to acquire a maximum of capability and experience.
